18. % Change in YTD Expenditures: 5.87%

Include back-up information for numbers 5 – 18.

SECTION II

1. Have there been any material variances between this year's and last year's financial results?

The above noted increase in YTD revenues over the prior year is mainly attributed to \$8.9 million in available Federal American Rescue Plan Act (ARPA) funds transferred from the Federal Grants Fund. As well the above change noted in current YTD expenditures would be a combination of the \$8.9 million in prior year November defeasance of the HRA Revenue Bonds and related prepayment of the City's bond insurance forbearance liability, compared or offset with the \$12 million in current year December additional prepayment of the bond insurance forbearance liability.

Also for the above monthly expenditures of \$16,464,249 this total includes \$95,059 in disbursements made against prior year encumbrances funded and authorized with prior budget appropriation; such amounts are accordingly not being charged against the current year 2022 budget but are necessary for inclusion within the above presentation in reconciling to the month-end cash balance. This total of \$95,059 is accordingly excluded from above year-to-date expenditures of \$78,202,674.

2. Are current payments to creditors (debt service, MMO, Act 47 loan, vendor payments) up to date?

For the month of December 2022, the City did not have any scheduled payments due of a debt service nature; however, the City did continue to work to process its normal bi-weekly check runs during the month for paying amounts payable to vendors as timely and as fully as possible.

Also see above applicable comments related to additional occurring prepayment of the City's bond insurance forbearance liability.

3. Provide specific examples of progress on critical recommendations of the Plan.

Under the Commonwealth's Act 124, the Intergovernmental Cooperation Authority for Harrisburg (ICA) may enter into and implement an intergovernmental cooperation agreement. Such a revised agreement has been previously accepted and approved by Harrisburg City Council via adopted ordinance, and the City now intends to execute this mutually approved agreement after the Commonwealth Court issues any final administrative orders for the City's orderly exit from the Municipalities Financial Recovery Act (Act 47) as administered by PA DCED.

In relation, the ICA has accepted for approval the City's revised submission of its 2022 Five-Year Financial Plan.

4. List and briefly describe meetings and communication that support implementation of the Plan.

Consistent with ongoing prior practice, the City will continue to maintain communications with PA DCED for providing responses to Act 47 quarterly status inquiries for related information requests.

5. Is there a capital improvement plan? Is the capital improvement plan being implemented?

Yes, such a plan is a part of the General Fund's 2022 budget for various City departments including notable increases in budgeted capital expenditures over prior year actual amounts for the Bureaus of Information Technology (updated and better integrated City-wide software system), Fire (addressing data processing equipment needs), and Traffic and Engineering (heavy operating equipment and the rebuilding of traffic signal cabinetry and related operating software).

This planned budgeting for 2022 resulted in actual utilization of approximately two-thirds of such appropriations total.

6. Are there any outstanding audits or audit recommendations that need to be completed?

Preparation work is still ongoing for the regular annual 2021 financial audit related to the City's annual comprehensive financial report; audit fieldwork by the auditors is progressing remotely.

7. Provide additional observations and challenges.

- a. The City continues to manage operating expenses under the constraints of an ongoing lack of significant monthly parking system revenues.
- b. During the month City Council did approve the Mayor's proposed budget for the City's fiscal year 2023.
- c. The City continues to work with its IT vendor, Tyler Technologies for the implementation of a new City-wide all inclusive ERP (enterprise resource planning) software system, with the initial focus being on the financial management system module (Munis). Implementation of the new financial system will take effect with the beginning of the new year 2023.
