SECTION II

1. Have there been any material variances between this year's and last year's financial results?

Please see detailed analytical comments tab relative to year-to-date revenue and expenditure comparisons as part of a separate financial summary schedule for May 2024.

2. Are current payments to creditors (debt service, MMO, Act 47 loan, vendor payments) up to date?

For the month of May 2024, the City did not have any scheduled payments due of a debt service nature; however, the City did continue to work to process its normal bi-weekly check runs during the month for timely payment of amounts due to vendors.

3. Provide specific examples of progress on critical recommendations of the Plan.

Under the Commonwealth's Act 124, the Intergovernmental Cooperation Authority for Harrisburg (ICA) may enter into and implement an intergovernmental cooperation agreement. Such a revised agreement has been previously accepted and approved by Harrisburg City Council via adopted ordinance, and the City intends to fully execute and officially enter into this mutually approved agreement after the Commonwealth Court issues any final administrative orders for the City's orderly exit from the Municipalities Financial Recovery Act (Act 47) as administered by PA DCED. The City continues to currently make more administrative progress with the ongoing related incinerator records subpoena and litigation matter.

4. List and briefly describe meetings and communication that support implementation of the Plan.

Consistent with ongoing prior practice, the City will continue to maintain communications with PA DCED in the providing of responses to Act 47 quarterly status update requests for related information.

5. Is there a capital improvement plan? Is the capital improvement plan being implemented?

Yes, such a plan is a part of the General Fund's 2024 budget for various City departments including significant capital outlays related to Information Technology, Police, Fire, Public Works, and Facilities Maintenance/Special Projects.

The City has also committed appropriated funding in support of the FNB Field stadium upgrade project for the Harrisburg Senators baseball franchise, the fire loss restoration project of the Broad Street Market property location, and ongoing infrastructure renovation projects involving the Public Safety Building.

6. Are there any outstanding audits or audit recommendations that need to be completed?

The City continues to progress through its annual financial audit for fiscal year 2022 with the intent of completing such prior to August 2024. Further the City will then readily move into its annual audit preparation work for fiscal year 2023 for completing such audit prior to the end of current year 2024.

7. Provide additional observations and challenges.

a. The City continues to manage operating expenses under the constraints of an ongoing lack of significant monthly parking system revenues, including priority parking and ground lease payments.

b. The City continues to work with its IT vendor, Tyler Technologies for the implementation of a new City-wide all inclusive ERP (enterprise resource planning) software system; the related financial management system module (Munis) became effectively operational at the beginning of prior fiscal year 2023.
